

# CHARTER STEEL TRADING CO., INC.

## JOB DESCRIPTION

**Title:** Slitter Helper

**Department:** Production

**Reports To:** Plant Manager

**FLSA Classification:** NE

### **Position Summary:**

The Slitter Helper is responsible for assisting the slitter operator in all functions of processing the production run, the slitting of coils to the production order instruction to meet customer requirements, the inspection and verification of slit product prior to packaging and following all safety guidelines.

### **Responsibilities:**

- Perform slitter functions in accordance with the written work instruction and the production order and any other functions assigned by the Plant Manager or Production Supervisor.
- Measure finished steel with verified tooling, compare measurements to customer's requirements and report findings to operator and supervisor.
- Perform and aid in general facility maintenance of work area.
- Meet production schedules and customer requirements by establishing and maintaining good communications with the Plant Manager, Production Supervisors and any other Charter Steel personnel necessary.
- Must be able to identify conforming/nonconforming product, follow the procedure for reporting nonconforming product and communicate to supervisor or operator as needed.
- Attend all meetings for safety, training, etc.
- Advise supervisor and operator of any process problems.
- Conduct all activities in an honest and ethical manner and within the guidelines of company policies, procedures and practices.
- Any other duties as assigned by supervisor or plant manager

### **Experience/Education Requirements:**

- A high school education, GED or equivalent experience or training is preferred.
- Suitable employees may receive on-the-job training in lieu of these requirements.
- Must be able to work independently, as well as with others

**Physical Requirements:**

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions. While performing the duties of this job, the employee is regularly required to talk and hear. The employee is frequently required to stand, walk, sit, use hands to finger, handle and feel, and to reach with hands and arms. The employee must occasionally lift and/or move up to 10 pounds. Specific vision abilities required by this job include close vision, peripheral vision, depth perception and ability to adjust focus.
